

# Farewell and Gratitude

This letter is to inform you that I will be retiring at the end of 2025 from medical practice.

With accumulated long service leave this means my last day will be September 30, 2025. I am now aged 71 and feel my time in medicine has come to an end.

I had communicated my intent to Qualitas Medical some months ago and they are in the process of sourcing my replacement. I hope he/she will be appointed in time for an effective handover.

## Reflecting on 37 Years at North Ryde Family Medical Practice

As I step away from my role as a medical practitioner after 37 years of service, I am filled with a profound sense of gratitude and reflection. This journey has been one of incredible fulfillment, challenges, and growth, and it is the people I have met along the way who have made it all so worthwhile.

I extend my heartfelt thanks to my esteemed colleagues, whose unwavering support, collaboration, and camaraderie have been instrumental in our shared mission to provide the best health care possible. Your expertise and dedication have been an inspiration, and it has been an honour to work alongside you.

To the patients who have entrusted me with their health and well-being, I am deeply grateful for your trust and confidence. Your resilience and courage have been a constant source of motivation, and I have learned so much from each of you. It has been a privilege to be a part of your lives and to contribute to your journey of healing and wellbeing.

I also want to express my sincere appreciation to the staff whose hard work and commitment have been the backbone of our practice. Your efficiency, kindness, and professionalism have ensured that our operations run smoothly, allowing us to focus on delivering quality care.

As I embark on this new chapter called retirement I carry with me the invaluable experiences and memories forged over the past four decades. While I bid farewell to my practice, I remain optimistic about the future and the new opportunities that lie ahead including a return to my theological studies, perhaps a little more time for golf, diving, sailing and travel.

I wish each and every one of you the very best for your future. May you continue to find joy and fulfilment in all that you do. Thank you for making these 37 years so memorable and rewarding.

With warmest regards,  
Trevor Hunter
