

Important Notice: Updated Sunday Consultation Fees Effective 1 May 2026

Since Sunday the 16th of October 2022, Dr Yasin Shahab (MBBS, FRACGP) has been offering consultation services to Gymea Family Practice patients on all day Sundays. The fee structure reflects the Royal Australian College of General Practitioners' position statement regarding billing policies and consultation fees for Specialist General Practice Services.

All consultations will be privately billed (including children and pensioners) and the fees are set in line with the AMA and the ASGP. All consultation fees are scaled according to the time devoted to a consultation.

The following rates will be in place for ALL consultations on Sundays with Dr Shahab, subject to changes and additions from the 1st of May 2026. All services that attract a relevant Medicare rebate (which are set by the Federal Government) will be offered. The Medicare rebates are also subject to change, as per the Federal government. For any consultation item numbers not listed, please discuss with Dr Shahab during the consultation. Please confirm payment method at the time of booking your consultation.
